DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on 9/13/2010 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the Applicants have stated that the elected compound of component (a) of formula (I) to in fact be that shown on the top of page 2 of the reply. However, this elected species is not included within the compounds of amended claim 1 formula (I), as for the elected compound, $Z=CR_6R'$; $R_6=H$; $R'=n\text{-butyl-OH}$; the variable R' as defined by claim 1 and formula (I) does not cite substituted C1-6 alkyl. Therefore, the elected species for component (a) is not supported by the claims. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
